

# EUROPA-CUP

## Summary of rules:

**Formula** : points = 1000 \* (number of inscriptions - place)/number of inscriptions  
(if place = number of inscriptions -> points = 1 !)

### Events :

- each Europa-Cup-event shall be a big Vaurien-event
- each national championship in Europe shall count for the EC (if it is possible for each Vaurien-sailor to take part in this event. In countries where is sailed a closed national championship there is the possibility to proclaim another Vaurien-event for the EC)
- a second event in each country (which is announced in the CIV-winter-meeting)
- no more than 2 events in each European country that means : If the European shall count for the Europa-Cup there is only 1 additional event in this country.

In each event the minimum number of participants shall be 15. Otherwise it doesn't score for the EC. In each event the minimum number of valid races shall be 2 .

Results will only be admitted in the following month to their celebration. The rest of regattas won't be valid.

The general result shall be published in the first week of December (if it's possible).
